

Accommodating a wide variety of power regulations and timer configurations, the 1400/1410 Classic is suitable for mixing a wide range of materials along with an assortment of odd sized containers and dented cans. The 1400/1410 is available with or without a safety guard depending on your specific requirements.

- Shakes a variety of containers of all sizes and shapes ranging from 3^{1/2} to 11 inches in height
- Suitable for a wide range of mixing applications
- 18 lb. standard load capacity

THE CLASSIC 1400/1410 BASES (REQUIRED FOR USE)

- Pedestal Base allows you to place your 1400/1410 at counter height without losing valuable counter space
- Counter Base features a coil spring suspension for quiet countertop mixing
