

New Enhancements To An Old Favorite.

As safety continues to play a significant role in all mixing environments, responding to the needs for today's safety requirements is our number one priority. By incorporating a heavy duty clamp design and a full safety enclosure, The Classic 1400/1410 Shakers are setting new standards for today's mixing needs.

The Classic 1400/1410 Twin & Single-Arm Shakers accommodate a wide range of materials along with an assortment of odd sized containers and dented cans.

- Shakes a variety of containers of all sizes and shapes ranging from 3^{1/2} to 11 inches in height
- Suitable for a wide range of mixing applications
- Limit switch automatically stops mixing cycle when safety enclosure is opened
- 18 lb. standard load capacity

THE CLASSIC 1400/1410 BASES (REQUIRED FOR USE)

- Pedestal Base allows you to place your 1400/1410 at counter height without losing valuable counter space
- Counter Base features a coil spring suspension for quiet countertop mixing
