

ACCESSORIES

Draw Down Drying Tower

- Includes 40 slots for organizing & drying sheets up to 8^{1/2} x 11 inches
- Can be placed on countertop or hung on peg board (hardware included)

A3525

Magnetic Mallet Holder

- Conveniently attaches to your mixer or dispenser
- Allows for quick access to your rubber mallet for closing containers
- No more searching around for where you placed your rubber mallet

A3522 - Magnetic Mallet Holder
(Mallet Not Included)

5080-01

Standard Lid Press

- Tightly seals one gallon, quart and half-pint containers quickly and quietly
- Eliminates spattering commonly associated when sealing containers with a rubber mallet

5080-RR

Roller Rack Lid Press

- Allows you to quickly seal your one gallon containers on your roller racking without having to move them to another location
- Adjustable height conveniently allows five gallon containers to pass underneath the Roller Rack Lid Press when not in use
- Roller Rack Lid Press attaches directly to new or existing roller racking systems

5070-00

Five Gallon Pail Press

- Quickly seals metal five gallon containers
- Applies even pressure to ensure a tight seal for metal five gallon containers
